

Australia and New Zealand Society of Interventional Nephrology

INVITATION TO PARTICIPATE

You are invited to participate in the **Australia and New Zealand Society of Interventional Nephrology meeting** in September 2020 as a sponsor and/or exhibitor.

The 12th ANZSIN will be held at the Hotel Grand Chancellor in Hobart, immediately following the 54th Australia and New Zealand Society of Nephrology Annual Scientific Meeting.

Interventional nephrology provides a unique opportunity for industry and medical professionals to have an immediate impact on improving patient outcomes by sharing knowledge and improving techniques.

The ANZSIN Meeting by involving nephrologists, nurses, surgeons and radiologists is attempting to break down silos. We are having an impact with increasing attendance and interest especially in our hands-on workshop. These meetings would not have been successful without the contribution of industry including financial sponsorship and provision of material and personnel resources. A full and exciting program is in the making for the 2020 ANZSIN meeting which will be complimented by **Keynote Speaker Professor Yong-Soo Kim**, Professor of Medicine at the Catholic University of Korea College of Medicine.

Support of the meeting and exhibition will provide your organisation with a number of key benefits:

- Exposure to a qualified, relevant and influential audience before, during and after the event.
- Multiple networking opportunities during the conference to promote your organisation's products and services directly to key decision makers.
- Increase and consolidate your brand exposure as a keen and vital supporter of interventional nephrology in Australia, New Zealand and the Asia Pacific region.
- Supporters of the conference will consolidate existing industry relationships and develop new ones.

We recommend securing your participation early in order to gain longer-term exposure and your preferred stand location in the exhibition area.

As in previously years non-contributing sponsors will not be able to gain registration.

We thank you for your interest in supporting ANZSIN and the 2020 meeting and helping us develop and promote interventional nephrology in Australia and New Zealand.

Please contact Conference Design, meeting managers, to discuss your participation and to book a package - mail@conferencedesign.com.au or +61 3 6231 2999.
